# BABCOCK PEONY GARDENS JAMESTOWN, R. F. D. 79, N. Y.

The Best New and Rare Varieties of

#### Peonies, Bulbs and Hardy Plants

#### **OUR GUARANTEE**

All our stock is guaranteed true to name and description. Should any prove not true we will replace it with true varieties or refund your money.

We are so sure all our stock is true, we are willing to replace with three as some growers are doing, if any should prove not true.

Prices are cash with the order. We are making our prices as low as we possibly can. We are offering the small one and two eye division, this year, but remember it will be four or more years before they bloom, and they rarely prove satisfactory. Our references are

National Chautauqua Co., Bank, American National Bank of Jamestown, N. Y., Dunn and Bradstreet's commercial agencies.

We will start filling our orders in early September and rush them out as fast as possible.

If wanted on a special date tell us so. All stock is free from the French root disease. We do not grow the few varieties that have the disease.

We are Peony lovers and growers. We are not in the manufacturing or other business, making our living from the sale of our plants and flowers. I look after all your orders personally, and shall always strive to please you.

"Beautify your corner of the earth" with our plants.

We ask for a share of your orders.
